

**GO FROM HAND BRAKE TO POWER
BRAKE IN UNDER \$5 PER HOUR.**

INTRODUCING THE SCHECHTL MBM POWER BRAKE.

FOR THE FIRST TIME, GET A COMPLETE SHEET METAL SHOP FOR UNDER \$40,000.

Slitter

Hardened stops and backgauge pans

Material thickness adjustment

Electrical cabinet

The affordable Schechtel MBM lets you power up your metalforming operation without blowing your budget. You get a surprisingly robust bender and slitter with all of these features:

- Built in crowning
- Extremely accurate bending and folding
- Easy to program CNC swivel control
- Stores up to 200 profiles
- 20 gauge capacity with 24 gauge hem
- Automatic 30" backgauge
- Eliminates prick punching
- Single operator, saves labor
- Use as a back-up folder

If you've been waiting to upgrade from a hand brake to a power brake, now is the time to make your move. The Schechtel MBM Power Brake is powerful and affordable, giving you the tools you need to power up your bottom line.
